Old Business:

- David Durham talked to Robert's Excavating and he said they were going to get on the brushing.
- Ovid talked to Kathy Morris, City of Askov Clerk and they are looking for a sales contract for the Town Hall building. The Clerk will get that over to Kathy.
- The Clerk spoke to Jane Brown, former Hospital Board Member, she said it is important to have someone on there as they do give direction as to medical needs in the area, such as Mental Health, etc. The Board will keep the posting up in the hopes of finding someone interested in serving.

New Business:

- Discussion held on the Land Use Permit, it was decided that there should be a time limit placed on it, good for one year from approval. It was decided to remove seasonal and New Primary Residence from application. There was also a discussion about adding penalty fees for those that do not get a building permit prior to the project starting. Right now they get charged the permit fee, plus any admin fees and postage costs in addition. The penalty fee would be in addition to that to encourage people to follow the Zoning Ordinance requirements for the Township.
- Resolution No.2022-04 – A Resolution to Elect the standard allowance available under the revenue loss provision of the Coronavirus local fiscal recovery fund established under the American Rescue Plan Act was adopted by a vote of 3-0.
- Discussion was held on a nuisance ordinance, David is going to contact some other townships, and then the Sheriff and County Attorney's office to see about help with enforcement.

Meeting adjourned by Chairman, Matt at 8:33 P.M.

Respectfully submitted by,

Anne Stitt, Clerk

Matt Klocke, Chairman
