Public Comment:

Old Business:

- Brad from Central Right of Way Services started storm damage clean up. They used the processor head to take down the big trees, now has the mulching head on and is working on the rest. Hoping to be done next week. Not sure when road side mowing will start.
- Scott talked to Denny Jensen at North Pine Aggregate and Denny said that the Township can purchase gravel from them and our contractor can haul out of their pit.
- Matt is going to give Roberts Excavating the list for gravel and road projects. Road is a priority and then culverts.

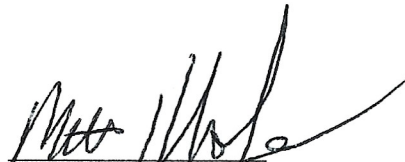

New Business:

- David discussed National Night Out, it is put on by the Fire Relief Association and recently two of the Askov Rutabaga Fair Board Members resigned from the NNO committee and said that the pavilion in town could not be used for this, that is where it had been held for all previous years. They are now pivoting and using the Community Center and looking for donations to help out. Further discussion continued as this is for Askov and surrounding communities which includes Partridge Township residents, Scott made a motion to donate \$200.00 to National Night Out, David made a second. Motion carried 3-0.

Meeting adjourned by Chairman, Matt at 8:13 P.M.

Respectfully submitted by,

Anne Stitt, Clerk
