Special Visitors:

- Odey brought a bid from McCluskey Painting for the Town Hall. Ovid said that he thought the Township was going to have Sentence to Serve crew do the painting as it is free labor.

Old Business:

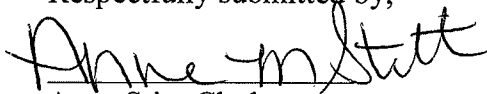

- Talked to the County about culvert by Odey's, Ovid will mark the culvert again so they know the culvert in question.
- Ovid talked to the city about clearing the brush around the town hall and then spraying the stumps. It was decided that on Sat 8/12 as 12:30pm Ron from the City of Askov, and Ovid, Lee, Larry, Laurie and Anne from the Township would have a work day and all help to get the brush cleared.
- Windows from 23 Hardware were ordered and are here. The combinations were cheaper so we went with them. Scott from 23 Hardware also ordered the paint.
- Gus still has 4 culverts to replace and that should happen soon.

New Business:

- 2018 Certified Town Aide is \$3,657.00 and will be received in 2 installments, 7/20/18 and 12/26/18.
- Root Road Crossing, Ovid went to look at it after receiving a complaint. He decided that there was an issue there that needed to be worked on, he then contacted the Clerk so she was aware of the issue and that they would be working on it. John from BNSF said next Wed they will have a flagman there, Roberts will haul fill in, BNSF said we could use the rocks there, and then gravel to level out the crossing. Hoping the crossing crew can black top 6 feet to help avoid further erosion issues there.
- Ovid talked to Arla about the town hall going to the Historical Society. They have a lot of projects but may be interested in several years. They do maintain records if we bring them over they organize, date and sort them.

Meeting adjourned at 8:09 p.m.

Respectfully submitted by,

Anne Stitt, Clerk

Ovid Jensen, Chairman
