Old Business:

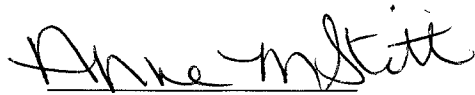

- Ovid attended the Legal Seminar in Rutledge. He said if the Board members are going to attend anything together, the Township should post that. He also said if a cemetery dissolves in a township then the township takes over, created by-laws and goes forward.
- Gus was looking at getting the remaining culverts installed, last Wednesday he was going to call for locates, not sure if the installations have been completed yet.
- The Sentence to Serve group, led by Brock, started scraping on Wednesday, they got called away of Thursday. They hope to be back on Monday.

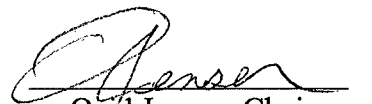

New Business:

- Larry said that the resident Ken Youngs but the gravel pit was requesting Calcium Chloride be put down on that road to control the dust. Discussion was held that last time this happened it was the contractors who hauled the gravel who went in on the expense and had it done, not the Township. Ovid will ask at the Local Government meeting if there is an alternative to calcium chloride.
- Saturday 10/28 is the Pine County Township Officer's Meeting in Hinckley.

Meeting adjourned at 7:59 p.m.

Respectfully submitted by,

  
Anne Stitt, Clerk

  
Ovid Jensen, Chairman
