Special Visitors:

Old Business:

- Culvert on Sunrise Road is still being clogged by the beaver's. On 7/5 was causing water over driveway, clerk received a call and went down and unclogged it again. Make sure we get a trapper out there this winter. Discussion held about Robert's Excavating digging it out under the culvert and away to knock the ledge down the beavers have built.
- Received some information on approaches/driveway. The Supervisor's should review this information so we can discuss options at next meeting.
- Clerk gave copies of the Pine County Zoning Ordinance for the Supervisor's to review just to be informed. At this point the Township is not opting into the County Zoning and will be keeping their own.

New Business:

- Squeaky Youngberg's culvert is clogged again. Lee spoke with Garrett who was going out to take a look.
- Lee spoke with a lady off 33 past the pole barn who would like the township to put gravel down to move hour in, fix potholes to make it more drivable. Discussion was held it was decided the Township would not do anything to this road since there are no houses down it and the Township has not been maintaining it.
- 8/7 Lee will not be at that meeting.
- Laurie brought up discussion about Ken Young's place and the trucks hauling. The Township said if the property owner was asking for a sign "children at play" or "slow" they should come to a meeting and address the board, as of now nothing has been requested.
- Laurie brought up the idea of having lemonade or something during National Night Out on 8/6. Supervisors said she could do that if she wanted.

Meeting adjourned at 8:18 p.m.

Respectfully submitted by,

  
Anne Stitt, Clerk

  
Ovid Jensen, Chairman
