Public Comment Period:

- Tim Loew wanted to talk about Partridge Dr, especially from the tracks to Andrea Jensen's. Over the past 30 years the road has gotten wider and more gravel is in the ditch. His points were 1. Restore road – no crown now - actually a belly from being cut down, 2. Pulled shoulders in to quickly and it didn't work waste of money, has to be done in spring and slowly bring in the dirt not leave the clumps and only working it once, 3. You need moisture to grade, it has been done when dry and that doesn't work and is a waste of money, 4. Fall clean up they should be watching weather and grade right before we go into single digit temps so that it is good for the winter instead of 6 months of wash boards. 5. The last storm (not yesterdays) storm was Friday he got plowed out Tuesday at 1:45, he said he was told by David our contractor was out of town. David did interject and stated that contractor would have returned if we got more than 6, Tim said negate this point then that makes sense. Scott said that Ovid Jensen had approached him on that road also, and they believe it is on the gravel list but will look at it at Road Inspection and make it a priority. Tim thanked the Board for their time and left the meeting.

Old Business:

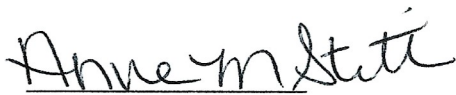

- David did have someone approach him about possibly doing our snowplowing as they heard Robert's is giving that up. David will invite them to come to the April meeting and discuss options with the Board. They own a plow truck with a wing so it might be a good fit.
- Phillip Lloyd was sent two letters for plowing snow across the road, called upset was told he could attend the meeting, he is not in attendance.
- David is still working on the letter for non-compliance of Zoning on Parcel 250332000, Scott mentioned it appears more stuff was added.

New Business:

- Pine County Township Officer's Association Meeting Saturday 3/29/25, 9am Hinckley Community Center
- Board of Appeal and Equalization is scheduled for Tuesday, April 15, 2025 at 3:00 pm at the Askov Community Center; Scott and David can both be there and have it on their calendars.

Meeting adjourned by Vice-Chairman, Scott at 7:46 P.M.

Respectfully submitted by,

Anne Stitt, Clerk

Scott Peterson, Vice-Chairman
