Old Business:

- Gravel pit update on IUP, Tim Zaudtke just provided David with 3 color topographical maps, David will send to the attorney and advise the attorney that the Township would like them to take over this matter, as it does not appear that we are receiving what is needed.
- No contact from Draeger's regarding their Root Road property no response yet.
- Reviewed pictures of Troy Hoff's property, it appears some things have been moved or removed, there is still some concern on the items by the road; Matt will call Troy and discuss things with him and ask him to attend the next meeting if further follow up is needed.

New Business:

- The cabin on Rutabaga Road was not removed after J&B Homes brought in the manufactured home, Owner Derek Brant said he would take care of removing the original structure; however, a letter of abatement will be sent by the Township Attorney to protect the township in case this does not happen.
- Carlson Timber, Casey said they dug end of culvert out at 67536 Sunrise Road, and are going to raise the one side, they will also put some dirt from that on the West side of the road where the trucks went into road right of way creating a large divot.
- Kevin Carlson is trapping beavers out by Squeaky Youngberg's on Partridge Creek Road, Matt made a motion to pay him per Beaver, the rate will be set by Kevin; David made a 2nd, motion carried 2-0.
- Pine County Township Officer's Meeting is Saturday 10/25 at 9 at the Hinckley Community Center.
