Public Comment Period:

- None

Old Business:

- Road Inspection was completed, Maple Hill Lane – dig up existing culvert and put new culvert in. Partridge Dr no longer needs a test strip ripped up as the grading and cutting deep seems to have worker. Brushing still needs to be completed on Pickeral, Partridge, and Sunrise.
- Road signs will be put up by David and Jesse Knopf. Locates will be called in.
- Brushing that was completed looks good.
- Discussion held on LUP for John & Monica Malone, she brought it to Scott with penalty added in, David went over the timeline. Discussion was held on when a penalty should be charged and what the intent was behind it. Matt thought the penalty fee was just to cover additional Township time and if additional time or expense wasn't spent the penalty shouldn't be charged. Further discussion will have to take place. Casey Zaudtke submitted a LUP but there was not a page one.

New Business:

- General Election is 11/3 the night before the November Township meeting, the Election judges will be paid at the December regular monthly meeting.
- David is going to tell Brandon Melzark to get the roads in the best condition possible before going into the winter months.

Meeting adjourned at 7:46 p.m.

Anne Stitt, Clerk
